Suitability for MIS School Accommodation

The Governors must be satisfied that any candidate offered a boarding place at Metropolitan International School is suitable to board. It is not in the interests of any candidate to be admitted as a boarder if he/she is unsuitable for any reason. In extreme cases unsuitable candidates could pose a risk to themselves or to other boarders. In making a judgement about a candidate's suitability to board we interview each candidate, ask for a reference from his/her present or recent school and can also ask Local Authorities for any information that they may hold on a candidate. The information that you provide below will also be important to the process. Please complete the sections below.
